Safely Riding your Bike or Scooter to School

From the beginning of next week students wishing to ride to school need to collect a copy of our Bike Riding Guidelines contract and permission note from the school office and return to school before bringing their bikes to school.

Upon receipt of the signed contract and permission note students will be able to ride to school as long as they follow the safety guidelines listed.

Please note that it is a legal requirement that all students must wear a safety helmet at all times when travelling to and from school.

Congratulations

to Year 7 student
Samuel Perkins for
his outstanding
performance at the
NSW State Athletics
Championships.

P & C

Compulsory School Attendance

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.
