Miss Danni's 2018 Life Skills program ended yesterday. 2C and 3Z were enjoying the opportunity to chill out and relax. We are all very happy that the program will continue in 2019.

What 2C like about Life Skills. . . .

"I like Miss Danni. She shows us the moves. We play with Sammy the snake. She makes us calm." Joachim

"I like playing with Miss Danni because she makes me feel calm. Same as Sammy the snake." Blandina

"I like how we play the games. I like mindful minute and storytime. I like getting stickers at the end. I like everything." Jamison

and for 3Z.

"I really like story time during our Life Skills sessions because it's a relaxing time where we are able to think about what a special message is in a story. I've learnt that every student is unique and we do not have to be the same." Mikah

"I like all the games we get to play during Life Skills. I get to work together with my friends and learn new things. I'm becoming more confident." Owen

"Miss Danni always makes us feel calm. We have learnt how to have fun and respect others." Hunter
