Helping us to keep
your children safe

The road at the front of the school is very busy especially at the end of the school day.

Please help us to keep your young children safe by making sure they wait with you at all times and do not run out onto the road.

Community Library Book Shelf

4/5W have been working our Community Library Book Shelf. We have it set up in the front office as you walk in. The books are for adults to take a book and leave a book if you have one (if you don't have one just return the one you borrowed and take another).

Go home make a cup of coffee, put your feet up and enjoy.

You could end up:

solving a crime...

being taken to another place in time...

going to out of space...

fighting a bad guy...

travelling the world...

just think of that!

ENJOY!!!

**KK has had so much fun learning
about
AUSTRALIA.**

We have been practising some tricky Traditional Australian Bush Dances with Miss Knight each Friday. We hope you like our moves!
