Students receiving Champion Awards for showing kindness and being sensible people.

A message from the NSW Department of Education

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

Arriving at school and class on time:

- ◆ Ensures that students do not miss out on important learning activities scheduled early in the day
- ◆ Helps students learn the importance of punctuality and routine
- ◆ Give students time to greet their friends before class
- ◆ Reduces classroom disruption

The winning entries to be submitted from Madang Avenue the Young Archie competition. So many talented artists at Madang made choosing entries very difficult.. Congratulations to everyone!
