UWS visits Years 5 & 6	May 13
Book Fair	June 2-6
Public Holiday	June 9

PEER SUPPORT 2025

Year 6 students have completed their training as Peer Support leaders and the program will be commencing for all students next week.

Already the seniors have demonstrated their enthusiasm for the program and many of the skills required to be effective leaders of their peers.

Over the coming weeks we will be bringing you updates on the program content and collecting feedback from the students on its effectiveness.

MOTHERS DAY

Next week the Mothers Day Stall will be held from Monday to Thursday with a range of exciting gifts

available to purchase starting from \$3.

Due to the election being held in the hall this weekend and the major preparation required in preparing the items for purchase, the stall has been relocated to the Cottage between preschool and the OOSH building.

On Friday morning we will be providing a thankyou breakfast for Mums and special guests starting at 8:30am outside the hall. Children will be able to take advantage of breakfast club as usual.

Parents are then invited to join the children for sport (see note coming home today for details)
